## Company Introduction

ABC Trade & Investments (Pvt) Ltd. is one of the leading homegrown conglomerates in Sri Lanka, situated in the heart of Sri Jayewardenepura Kotte. It was incorporated in 1997 and commenced its operations in 2004 as an ICT Solution Provider with 6 employees by the young entrepreneur Mr. Amalrajah Jayaseelan. Over the past years, we have successfully been developing our corporate personality as a giant in the IT industry. We are involved aggressively in diversification related to various business focuses such as ICT Solutions, IOT Solutions, Software Solutions, Water Purification Solutions, Corporate Gifts & and BTL Advertising, Branding Solutions, Consumer Electronics, Healthcare, Plantation, Online Shopping, Ventilation Engineering, Tourism and Import & Export Trading. Accordingly, at present, there are 100+ employees with the ABC family, in the mission sailing toward success.

We at ABC Trade & Investments take pride in holding accreditations and memberships of the Central Environmental Authority, Construction Investment Development Authority, Building Council of Sri Lanka, Federation of IT Industry of Sri Lanka, The National Chamber of Commerce of Sri Lanka, Sri Lanka Association of Printers, Sri Lanka Retailers Association and Plastic & Rubber Institute of Sri Lanka etc.

ABC Trade & Investments is well known for its most affordable, realistic and high-quality products under many specialized sectors and we take all the possible endeavors to ensure quality and reliable service to all our clients and stakeholders in every possible way. Our commitment to customers is reflected in ABC Trade & Investments's unmatched service offerings which is backed by our years of experience and specialization in the industry.

SINCE 1997

# Inkjet Photo Papers

ABC Trade & Investments distributes 'Fullcolors', 'Fantac' & 'KODAK', Inkjet, and digital media papers manufactured by Fantac Design Company, China. The constant development of both brands during the past decade has been highly accredited with a professional, high-quality, and stable reputation.

Being the licensed manufacturer and the supplier of Kodak, the company ensures the distribution of a variety of products such as Home & Office Inkjet Media and Specialties. With its continuous innovations in inkjet media products, Kodak has extensively introduced its inkjet printing technology to such industries as digital imaging, printing, OA systems, advertising, medical imaging, costumer-oriented CAD, etc. Kodak also plays the leading role in the application of inkjet printing with various special and high-quality products. It is promising that Kodak's inkjet-printing media products would take you into a fantastic digital world and memorize your colorful life.
